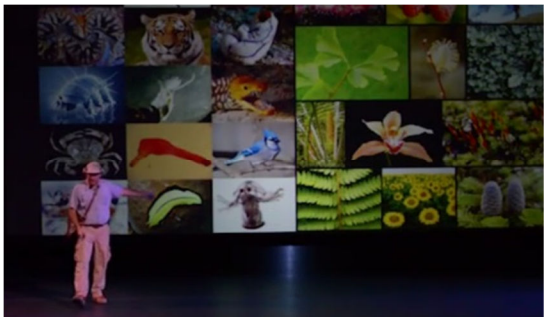
SHORT DESCRIPTION:

Rich Aguilera, "The Mud Guy" from *Guide Magazine* and *3ABN's Kids' Time* loves to talk to kids, youth and adults about God the Creator. His unique, visual methods utilize a giant 30-foot wide screen, interactive elements, props, prizes and special FX surprises that will leave you amazed and on the edge of your seat. You will experience a new understanding of how awesome the Creator of the universe is, and your faith will be increased. Understanding the topic of Creation v. evolution can be confusing, even for adults, but everyone should be equipped to respectfully stand up and defend their beliefs. Rich's simple approach will have even kids understanding that we were lovingly designed and created by and all powerful and loving God.

PATHFINDERS:

In 2014, a new Pathfinder Honor was introduced: *Creationism.* One of the requirements is for the club to "attend a Creation seminar," which are not very common. This is the perfect opportunity for clubs to earn this honor by attending this event. Each pre-registered Pathfinder will also receive a free ***HIS Creation*** trading pin from Rich. Group pricing available.

PURPOSE:



The goal of this event is to be a bridge event between churches and communities where Christians can invite their friends to a fun, casual, family-friendly event in a neutral location (not a church sanctuary). This is an event where people can have a great time learning about our Creator God, as well as increase the faith of believers who may have doubts regarding the Creation/evolution issue. One of our main goals is to also emphasis the model Jesus used which was to help people with their challenges first, THEN, help them with their spiritual guidance. Prior to each event, we ask that area churches plan and follow up this event with their own local outreach services which we would assemble and provide to our attendees. The goal is that all the area community churches be offering help in areas like quitting smoking, marriage counseling, financial advice, health screenings, healthy cooking classes, Dorcas & Food bank services, child raising help/single parents, etc. At the event we would prepare a printed "menu" of services the church is providing for the people in need in that community. The plan is that each church would follow up with friendship evangelism and eventually spiritually lead friends to decide to follow God. The "bridge event" is the catalyst to put the strategy in motion. The following year we would return with an exciting new event.
