

Vaccinate Illinois Week

December 7-13, 2014

Please place orders for all your VFC eligible children **NOW!** (*Expired flu vaccine will not have to be replaced.*)

Flu activity doesn't usually peak until January or February in the United States. It's not too late to vaccinate your VFC eligible children.

Vaccinate for flu throughout the season (OCT-APR)

The Medimmune FluMist Quadrivalent Replacement Program allows for the replacement of unused, expiring FluMist Quadrivalent doses, at no cost, to help you maximize product usage opportunities. Replacement requests can be made starting November 17, 2014 through January 31, 2015. Details on the replacement program are available on the I-CARE home page.
