

VOLUNTEER SIGN UP FORM **COMMITTEES/TASK FORCES/INTEREST GROUPS**

Read the descriptions below and volunteer for one or more by ranking your top three areas of interest and returning this form to the IAFP by **Dec 31, 2014**.

Committees will generally meet once every two-three months via teleconference and will use the common listserve to update and communicate. Committee meetings typically last 1-2 hours and action items from your committee are considered by the Board of Directors.

Task forces will generally meet via e-mail or teleconferences as needed to accomplish tasks. There are no planned face-to-face meetings of task force members.

Interest groups will generally meet as they wish via e-mail and listserve with suggestions to the All Member Assembly at the Annual meeting. Suggestions may be referred directly to the Board if time constraints require. There are no scheduled meetings for interest groups.

AAFP RESOLUTIONS TASK FORCE

To review ideas for resolutions to AAFP Congress from Illinois AFP, develop the ideas into resolutions, and submit for approval by the IAFP board or executive committee. Most work is done April-August.

AUDIT COMMITTEE

Review the IAFP audit and IAFP corporate tax forms in advance of the documents being submitted to the IRS.

BREASTFEEDING TASK FORCE

Assist in promotion of Baby Friendly Hospital movement in Illinois hospitals and in supporting promotion of breastfeeding to women of child-bearing years.

CONTINUING MEDICAL EDUCATION COMMITTEE

Develop, present, and promote education opportunities that are timely, relevant and of the highest quality. The CME Committee is actively involved in the creation and development of all CME programs.

FPs in FQHCs (Federally Qualified Health Centers)

FAMILY MEDICINE EDUCATORS COMMITTEE

Serve as a conduit for educator issues on faculty development, research and government relations. Oversee the Academy's role in the Family Medicine Midwest Foundation and Conference. Implement the Academy resident research project webinar. Continue support of ongoing faculty development education.

Clinically Integrated Networks

FPs move towards clinically integrated networks and comprehensive care coordination across the entire community of practice

GOVERNMENT RELATIONS COMMITTEE

Make decisions regarding IAFP's legislative agenda, initiate grass roots lobbying efforts, educate members on key issues, and actively lobby on behalf of the Academy.

MEMBERSHIP/MEMBER SERVICES TASK FORCE

To review member's request for dues waivers and other membership issues. To review IAFP membership services and suggest sun-setting of services, changes to services and proposed new services.

NEW PHYSICIANS COMMITTEE – Ideal for members up to seven years out of residency training

PUBLIC HEALTH COMMITTEE

Oversee the family medicine viewpoint in the public health arena. Develop a priority list of activities, suggest comments on public health issues, propose CME topics on public health, propose to leadership to nominate members to state, regional, and local public health entities, task forces and committees.

PUBLIC RELATIONS TASK FORCE

To evaluate nominees for IAFP awards, including the Family Physician of the Year Award, and Family Medicine Teacher of the Year Award. They can also consider Distinguished Service Award and Media Award honorees, when deserved. The committee also serves as first responders to media requests on patient education and health topics.
