

I can't wait to be a Girl Scout.

In Girl Scouts, girls have the new experiences that give them that super-excited, jumping, giggling, butterflies-in-the stomach feeling. Experiences that you get so excited about you can hardly wait.

A year with us will be filled with new friends, tons of fun and more "wow" moments than she's ever imagined.

She doesn't have to wait any longer. The fun starts now!

And to live by the Girl Scout Law.

Things to keep in mind when attending a Girl Scout Sign-up:

- A parent or legal guardian must attend to complete the girl registration form and pay the \$20 annual membership fee at the event. Additional costs throughout the year may include troop dues (family contribution set by troop to fund activities), and the purchase of uniform, and Girl Scout books if desired.
- Program credits earned through the annual Girl Scout Cookie Sale may be used to pay for girl's membership fees. Sisters may share/combine their program credits to pay fees.
- Financial assistance is available for girls in need.

Membership is open to all girls, including those who are physically or mentally challenged who meet the age requirements (K-12th grades), make the Girl Scout Promise, accept the Girl Scout Law and pay the annual membership fees.

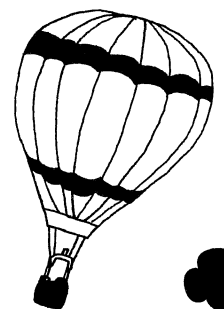

Girl Scout troops are financed by dues, money-earning activities, and a share of money earned through council-sponsored cookie sale activities.

Become the role model they'll always remember.

As a volunteer, you'll introduce girls to new experiences that show them they're capable of more than they ever imagined.

Whether you can give a day, a few weeks, or the whole year, it all starts with you.

Don't make her wait another minute!
