

CALL TO ARTISTS

The Bradford Rail Trail, scheduled for completion in 2015, includes a variety of features, including benches, historical and educational markers, and a children's mural on the Arthur Sharpe building. Team Haverhill and Pentucket Bank, in partnership with the Friends of the Bradford Rail Trail, are participating in the project by commissioning artists to create permanent sculptures.

The Bradford Rail Trail is located on the southern bank of the Merrimack River in Haverhill, Massachusetts, at the site of the former Boston and Maine Railroad Georgetown Branch. The Bradford Rail Trail seeks to exhibit original open-air sculptures that engage trail visitors, celebrate the rail trail history and its significance to Haverhill's development, and to provide a space that residents will be proud to visit and enjoy.

Artists are called to design three-dimensional, original, pieces for an outdoor installation. Selected artists will have their works displayed on the Art Walk at the Bradford Rail Trail in Haverhill, MA.

Sculptures will be part of an open-air exhibit and will therefore be exposed to sun, rain, snow, wind and extreme temperatures. Although any medium may be used, pieces must be durable for long-term exterior placement. Submissions are for sculptures of many different sizes, but they must be mountable to 10ft. cement concrete pads provided by the City of Haverhill with anchor bolts. The specific configuration of the anchor bolts to be determined.

It is encouraged that submissions reflect the rich history of Haverhill, MA; specifically, the city's rail and waterways based on our theme, "All Aboard". Sculptures should engage and educate visitors. They must be inclusive and appropriate for all ages. Artists can request a tour of the Bradford Rail Trail and will be provided a map of the trail. Designs that are political, religious, violent, or sexual in nature will NOT be accepted. Additionally, corporate logos or advertising are not allowed.

All submissions are due via email by February 28, 2015; an internal selection board will choose the awards. Selected artists will be notified by April 15, 2015 to allow sufficient time for production prior to installation on the Bradford Rail Trail. Works will be delivered for installation on October 15, 2015 unless otherwise discussed.
