

New User zipForm® Account Registration

2015

New Users: Please follow the directions below to create your new zipForm® Plus account.

Existing Users: If you already have access to zipForm® Plus, you will not need to set up a new account.

1. To establish your zipForm® account as a new user, visit the zipLogix® home page at www.ziplogix.com. Look for the zipForm® Plus option here and select the “Order” link.

2. You will be prompted to select your association from the drop down menu. Choose “Order” after making your selection.

New Users Order zipForm® Today!

Please select your association from the list below to continue with the order process.

2015

4. Create a username and password of your choice and enter your email address. Click “Continue” again when finished to proceed.

Note: *If there is already an account registered with your NRDS number you will receive a message indicating this and a prompt to log into your existing account instead.*

ATTENTION! The zipLogix credentials you are creating will be used to log into zipForm Plus, zipForm6 Standard, and zipLogix. You will need to remember your Username and Password.

Create your zipLogix Credentials

This information will be used to access your zipLogix Shopping Account

UserName	<input type="text"/>	
Password	<input type="password"/>	(Password must be at least 6 characters.)
Confirm Password	<input type="password"/>	
Email	<input type="text"/>	
Confirm Email	<input type="text"/>	

5. Enter your office and contact information for your account profile. This information will appear on the footer of the forms that you print from your account. **Some information may pre-fill based on the NRDS number you have entered.** Once all required information is filled in, click “Continue”.

Enter Your Company and Profile Information

Note: The information you provide may be shown on your forms.
