“Ryan’s presentation was one of the best and most up to date information sessions regarding professional applications I’ve ever attended. He provided great tips and secrets only the experts really know!” – Teresa Bohnen – President, St. Cloud Area Chamber of Commerce

92% of our attendees discover at least one Mobile App that they would put to use right away.

Mobile Apps are changing the way we do business. With millions of Mobile Apps currently available for download in App Stores, business professionals have the opportunity to streamline day to day business processes and utilize new, cutting edge business tools never before available. The Mobile Apps for Business Seminar offers business professionals an expert look into Mobile Apps for business professionals, and provides insight into some of the best Apps available for a variety of business tasks.

Attendees have given our presentation a weighted average rating of 4.19 out of 5.

Some of the Mobile App categories discussed are:

DOCUMENT SHARING
