Q: If you could spend one hour with any person of your choice (living or deceased) who would it be? And why?

A: I would spend one hour with my father-in-law who I only got to meet once and would have liked to have spent more time with.

Q: You get one wish: world peace or a billion dollars - which do you choose?

A: It depends on how old I am and how long I have to live (LOL)...world peace of course.

Q: It's your last meal so what do you want to eat?

A: I know most people would want lobster or steak

but I'm a cheeseburger kinda gal -- love cheeseburgers.

Q: What sound do you love to hear?

A: I love the sound of the ocean. It makes me happy and relaxed. However, a child's laugh makes me smile.

Q: What's your favorite thing to do on a day off?

A: I love to spend time at my trailer upstate.

Q: What was one of your most memorable moments with a Bussani customer?

A: I don't have one particular specific moment with a certain customer. But my most memorable moment was at my first Open House event seeing Bussani Mobility give away a vehicle to a customer -- it touched my heart.
