

## A Time for Reflection

Hello Fellow Lions,

This is an exciting time of year for us as Lions. We are almost half way through our Lions year and District Conventions are coming up. Goals are revisited. Plans are made. Quarterly reports are to be filed. This in addition to all of the other things we have to take care of at this time of the year. Time for reflection is not usually a part of this season, we are too busy working on our "to do" list. Reflection doesn't come easily. It is hard work. The benefits are tremendous. Let's try some reflection. At the State Convention this year I am asking that MD Committee Chairs give written and oral reports. The District Governors are responsible for assigning Lions to the different MD Committees. I have asked each DG to contact the ones that they assigned to a MD Committee and make sure they know that if they are the chair of that committee they are to give a report at the state convention. This is going to be a very different state convention this year. Please come on Thursday and stay through Sat. night. We are not having anything on Sunday this year so you can get back to your churches and or any community event you might be a part of. So sign up early and be a part of this year's MD 32 Convention.

Thank you.

CC Joe
