

Support SC Lions Charitable Services While Shopping this Holiday Season!

When Amazon customers shop on a new version of the company's website – smile.amazon.com – the company will donate 0.5% of the purchase price of merchandise to charity. Customers pick their charity through the new website and South Carolina Lions Charitable Services and the South Carolina Lions Foundation are both recognized to receive donations.

There is no cap on the amount Amazon will donate and almost every physical product sold by the company is eligible, which means tens of millions of items.

Digital goods are not included, but that may come in the future.

Visit SMILE.AMAZON.COM to register and Happy Holiday Shopping!
