

# LEGO ROBOTICS ACADEMY

**CHASEWOOD LEARNING**  
CREATIVE AND INTERACTIVE EDUCATION

St. Anne Catholic School

**New classes starting January 2015!! Repeat students welcome!!**

## Class

## Description:

The Lego Robotics Academy is a comprehensive afterschool program where children are learning to design, build, and program robots. Using a creative educational approach that supports Science, Technology, Engineering and Math (STEM), this class is led by Chasewood Learning's teacher-led instruction followed by fun, engaging and dynamic activities.

## Academy Levels:

The Robotics Academy is a repeatable program where children are placed based on skill and experience. Students can move up a level each time they take the class to take on more advanced concepts

## When:

Monday's afterschool: 3:20pm – 4:30pm

Jan 12 – Mar 6 : 6 classes

(No class Jan 19 & Feb 16)

## Where:

St. Anne Catholic School

## Who:

Grades K-8

Children of all levels can take this class and are grouped by prior experience.

## Cost:

\$75 per student

## Dismissal:

At 4:30pm, children will be dismissed through the main door
