

Dear Valued Business

On Saturday, January 17, 2015 the gymnasiums at the **STMA High School Activity Center** will be home to the **2nd Annual Healthy Day of Play**. The Healthy Day of Play is an opportunity for families in our communities to bring the entire family and spend a couple hours gathering information on all of the healthy living options available to them right here in our own community.

We see Healthy Day of Play as the perfect chance to promote healthy living, local businesses and civic pride in St. Michael and Albertville. On January 17, we will create a warm, energetic, fun and safe atmosphere for residents and families of all ages to participate in fun family activities, and get to know their community better.

Want to get involved with the Healthy Day of Play

Are you a local business interested in getting to know the families of St. Michael – Albertville better? Becoming a vendor at Healthy Day of Play is a unique opportunity to support local goals that serve to enrich our community and build strong local economies through healthy living, civic pride and increased personal connections with small businesses. Vendors gain exposure through advertising opportunities and marketing materials and of course integration into event activities. Take advantage of this progressive opportunity to be a part of an innovative community event. The first Healthy Day of Play saw 114 families visit more than thirty vendors during the event.

What does becoming a vendor look like?

Vendors are asked to:

Provide some type of fun activity at your booth.

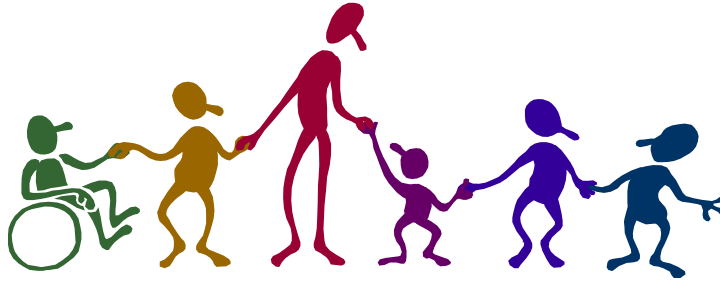

Provide information about your business and services you provide in the community.

And bring yourself and your team if you wish to meet the families and friends of Family Youth Community Connections (FYCC).

Please direct any questions to Sandy Greninger or Nicole Rice at 763-496-6820.

We hope you join us this year.

2nd Annual Healthy Day of Play

Vendor Registration Form

Saturday, January 17, 2015 9:00 a.m. – 11:00 a.m.
