Tips Every Senior Needs to Know When Downsizing

— Eileen Kelly Reed —

[Simplify with Eileen](#)

As our elderly population grows, downsizing from the larger family home is becoming more of a reality. Eileen Reed of *Simplify with Eileen* will share how best to navigate this challenging stage in life in an organized, effective and balanced way.

About Eileen Kelly Reed

Eileen Kelly Reed created *Simplify with Eileen* in 2007 to use her innate organizing talents to help bring balance, order, productivity and peace to the lives of her clients. With a 25 year career in office management, sales training and high tech staffing, Eileen's organizing skills have been honed by developing effective systems and repeatable processes to maximize time, function and efficiency. Working with residential and corporate clients, Eileen provides clever solutions, techniques, strategies and systems that will work for you, your home, your business and your lifestyle.
