

Join us for a **FREE**

# ROBOTICS

**CLASS**

**BUILD ROBOTS,  
BUILD FRIENDSHIPS,  
BUILD CONFIDENCE!**

**WELCOME  
to the  
FUTURE**

## Add robots to your routine!

We're offering a **FREE Robotics class** and parent orientation to help give families a taste of how STEM can be engaging and fun!

Students will enjoy:

**Creating and programming robots with LEGO® bricks**, using both the hands and the mind.

**Collaborating and experimenting** with other kids in friendly competitions.

Learning to troubleshoot and solve problems, **building critical thinking skills**.

## CALL US TO SET UP A FREE ONE HOUR CLASS AT YOUR LOCATION.
