**2015 Piankatank Nekut Yahakin
First Colony Winter Camporee
Bayport Scout Reservation
130 Scout Trail, Jamaica VA 23079
March 6-8, 2015**

This year's skills-based Winter Camporee will consist of two main events. The first event will be between patrols in the morning and early afternoon. We will continue to use sleds as in year's past. The second event will be a scoutmaster dessert competition, Entry must be a dessert and must be cooked in and delivered in a dutch oven. Dutch ovens will be returned clean to troops Sunday morning at flags.

The Nekut Yahakin requires a lot of preparation. Scouts and Webelos should brush up on all basic Scout skills as they will be needed. Look over the enclosed plans and information, talk it over with your Senior Patrol Leader or Webelos Den Leader, and get ready for an excellent time!

Registration Information

Registration for the Piankatank Nekut Yahakin is limited to 10 troops. Space will be reserved "First Come/First Camp" based on the date the registrations are received at Council. Troops and Dens from any district or council may participate.

A completed registration form (attached), with full payment, must be returned to the Scout Office by February 25, 2015 But, earlier is better! The number of scouts and leaders can be adjusted when checking in at camp if the number is greater than the submitted registration form.

Troop participants may check-in any time after 5:00 PM on Friday, March 6. Webelos participants must check-in Saturday morning. All participants must be ready to start on the trail immediately after flags on Saturday morning..
