

## CT State Senator & Representative Join in 35 Year Celebration

On December 4, 2014, CT Senator Art Linares (33<sup>rd</sup> District), and CT Representative Philip Miller (36<sup>th</sup> District), congratulated and honored Roto Frank of America, Inc. at the celebration of their 35-year presence in North America.

They presented Roto with an Official Citation from the General Assembly during the event. The festivities also included a retrospective of the company's growth and development by Skip Branciforte, an employee who has been with Roto Frank of America since its beginning, as well as a catered luncheon and gifts for all personnel to commemorate the occasion.

The Chester, Connecticut facility houses Roto's administration, engineering, manufacturing and distribution departments for their North American and European hardware. Roto Frank of America and Roto Fasco Canada combined form Roto North America, with over 120 employees, and are subsidiaries of the world's largest manufacturer of OEM window hardware, Roto Frank AG.

"We are thrilled to celebrate this significant milestone in our company's history, and we realize that this achievement would not have been possible without all of the dedicated Roto employees, customers, partners, and shareholders who have helped us along the way with their loyalty, integrity, and commitment," says Chris Dimou, Roto North America's President and Chief Executive Officer.

**About Roto Frank of America, Inc.:** Founded in 1979, Roto Frank of America, Inc.
