

### **Cosmetology Student is the Beauty Advisor at Shop Rite**

Chris Scheier, a current high school cosmetology student, is the new Beauty Advisor at Shop Rite of Flemington offering consultations, makeovers and product assistance in hair, makeup and skincare. This is a new service being offered at Shop Rite in Flemington through Premier Beauty where Chris is available to assist customers Thursdays through Sundays. After completing the cosmetology program and obtaining his state license, Chris plans to work as a hair stylist and eventually a hair and makeup artist in film, theatre and magazines. This position at Shop Rite is a great opportunity for Chris to launch his career. Premier Beauty has sent him for training to some of the biggest names in the business such as Johnson & Johnson, L'Oreal and Maybelline, just to name a few. "The cosmetology program at Polytech fully prepared me to begin my career with this position and I'm excited to get started", said Chris.

Polytech's High School and Adult Cosmetology Programs prepare students for both the practical and theory portions of the New Jersey Cosmetology State Board Licensing Exam, and for successful employment related to the field. There is a focus on training and instruction in all phases of hair, nails, skincare and makeup application. Students will be eligible for a student permit after acquiring 600 of the 1,000 State required hours of instruction. At that time, they will have the opportunity to apply their knowledge in school-operated salons that are open to the public.
