Meet the SSO Board
Moriah Linton

Moriah Linton, a BMO Bank of Montreal regional vice-president, joined the Stratford Symphony Orchestra Board of Directors in February 2014. “I am learning a lot and really enjoying my experience,” she says of her time with the SSO.

She is a board member of the Community Futures Development Corporation of Perth County. She has for three years maintained a partnership with United Way Huron Perth, coordinating three or four volunteer days in the community with a team of 10 to 15 Bank of Montreal team members. She was “an avid volunteer” for the Ontario Provincial Police for more than 10 years, committing more than 300 hours annually.

Ms. Linton joined BMO in 1999 as a customer service representative and became a branch manager in 2002. She transferred to Stratford in 2011 as an area manager covering retail branches across Huron and Perth. Her area expanded in 2013 and she was promoted to Regional Vice-president, Personal Banking, Stratford Woodstock. “Outside of my 11-year career with BMO,” she says, “I have sold potato sack shorts on Clifton Hill in Niagara Falls, served ice cream, spent four years as a chamber maid, worked in collections for two years and for H & R Block doing income taxes.”

Ms. Linton was born in Gananoque, Ontario, and lived in Kingston, London and throughout the Niagara Region before moving to Perth County. She has an Executive MBA degree from Queen’s University and a degree from Brock University in economics.

For relaxation, Ms. Linton enjoys riding her Triumph Bonneville motorcycle, walking her two dogs (a German shepherd and a golden

retriever), playing tennis, kayaking and golfing, and, in the winter, ice skating and skiing.
