=a lot of data!

Ranking of how FIPPOA should prioritize the following issues:

Highest priorities

1. Dune Health and Beach preservation
2. Fire Safety and Prevention
3. FI Blvd Beautification
4. Vehicles & Boardwalks
5. Zoning Issues
6. Harbor / Marina Area
7. Noise from Commercial Businesses

Ranking of priorities

- 90% of the community rated Beach Preservation as their top priority, 6% as a medium priority and 4% rated it as a low priority;
- Fire Safety was the 2nd highest priority with 72% saying it should be a top priority and 20% rated it as a medium priority; 7% rated it as a low priority;
- Fire Island Boulevard was the 3rd highest priority with 44% saying it should be a top priority; 41% medium priority, 15% said low priority. However, this topic, when combined with 'Vehicles and Boardwalks', was the subject of 312 comments –the most of any topic asked about.
- Zoning was mixed, with 39% saying it was a top priority and 42% low
- The Harbor/Marina area was ranked as a medium priority by 52%
- Noise from town was a low priority for most, although many (69%) reported being bothered by noise from a neighbor's house party.

Satisfaction with Whyte Hall

**Satisfied with WH as
Community Center**

**Satisfied with WH
programming**

Whyte Hall comments

- There were 121 comments in response to ‘How satisfied are you with Whyte Hall as a community center?’ 111 comments were negative, focused on 4 main issues:
 - Dissatisfaction with WH programming
 - Perceived underutilization of WH
 - WH leadership
 - Dissatisfaction with WH as a community Center
- 164 comments were left in response to the next question asking for input on WH programming;
 - People asked for more and better programming

Satisfaction with FIB/Harbor area

Appearance of FIB / Harbor area

FIB landscaping at intersections?

FIB/Harbor area comments

- Many comments complained about the physical condition of the roadway itself and the dust from it
- Litter, posters, flyers, debris, etc.
- Vehicles, dumpsters, and contractor storage on and along the roadway
- More and better landscaping, signage, and lighting

There seems to be a consensus that people do not want to see vehicles and construction material along FIB and would like us to explore options to the dirt roadway

Fire Safety

Do you know if your home is up to Brookhaven's fire code?

Would you pay to have home inspected by fire inspector

Pines Party Attendance

Attended the last Pines Party?

If you did not attend the last Pines Party, was it because:

FIPPOA PAC

Attended PAC events?

How satisfied are you with how FIPPOA works with gov't agencies
