

At Fullerton College, the One Book, One College program selects a book each year to promote literacy and community building across the entire campus.

## Read: *The Pact!*

This inspirational true story takes place in New Jersey during the 1980s at the height of a crack epidemic that ravaged many communities. Three young men made a promise to each other to overcome their challenging circumstances. Find out how they did it!

## Attend Sponsored Events!

All faculty, students, and employees of the school are invited to read along and attend movie screenings and other sponsored activities that take place here on campus.

Available online and in bookstores everywhere.
