

Martin Luther King Jr.

National Drum Major For Justice Parade. January 19, 2015

The (National Drum Major For Justice Parade) takes place annually in St. Petersburg, FL and is one of the largest parades in the United States.

The Pathfinders have been chosen by the founder of the parade (Sevell Brown) to lead out every year in the parade and can have a total of over 1,000 pathfinders marching in the parade. With that said, clubs from both Florida & Southeastern Conference has become a prominent figure in the front of the parade. We would like to invite other clubs to join us as we march in remembrance of Dr. King and his legacy. **For more information please contact Drum Director Darrell Edwards Floridadrums27@yahoo.com**
