Make a backup of the original file

Create a backup, and then put this backup into safe, permanent storage. 1. In Microsoft Dynamics GP, point to **Maintenance on the Microsoft Dynamics GP menu**, and then click **Backup**.
Note The **Back Up Company** window opens.

3. Change the path of the backup file if it is required, and then click **OK**.

Note We recommend that you name this backup 2014 Pre Year-End Update to differentiate it from your other backups.

Install the 2014 year-end update

To install the payroll year-end update, you must follow the steps in the Microsoft Dynamics GP U.S. 2014 Year-end document.
