Step-by-Step solutions for the seven most common homework problems, including:

1. Child does not do his best work
2. Child refuses to do homework assignments
3. Student fails to bring assignments home
4. Student takes all night to complete homework
5. Student will not do homework on his/her own
6. Student waits until the last minute to complete assignments
7. Student will not do homework if unsupervised

Note: It is important, if possible, that both parents attend. After all, the solution to homework challenges is a team effort!
