

WINTER 2015

Dear Kadima Elementary School Families,

We are pleased to announce the Winter 2015 after-school Chugim and Enrichment Program. Kadima has partnered with some innovative providers to deliver thought-provoking and exciting activities. Whether athletic, artistic, or intellectual, there is something for everyone. Please look through the attached pages for a more detailed description!

The classes being offered are:

### **MONDAYS**

**Golf – Through the Professional Golfers' Association (PGA)**  
Groups are available for Grades K - 2 & Grades 3 - 5

**Medieval Times Robotics with H.M. Logi for Grades K - 2**

### **WEDNESDAYS**

**Tennis with the United States Tennis Association**  
Groups are available for Grades K - 2 & Grades 3 - 5

### **THURSDAYS**

**Shrek the Musical – Musical Theatre and Production for Grades 1 – 5**

**Smart Wood Robotics with H.M. Logi for Grades 3 - 5**

Be sure to sign up now, as there is limited space available in each of these classes. The description pages for each class also includes enrollment information.

The Kadima team looks forward to seeing you after school through the  
WINTER!

# GOLF

Kadima is pleased to announce its partnership with Premier Junior Golf & The Professional Golfers' Association to deliver top rated golf, specifically developed and sized for children. Even if your child has never held a club, it's easier than ever to start playing golf. The coaches ensure that kids experience the thrill of competition while establishing appropriate skills. All equipment is sized right for age and ability.

Be sure to sign your child up for one of the two groups being offered: Grades K – 2 or Grades 3-5. Space is limited!

# MEDIEVAL TIMES ROBOTICS

Kadima is pleased to announce its partnership with HM Logi in offering this enrichment class to students in Grades K-2.

## WHEN THE PAST MEETS THE FUTURE

In this unique course, developed by H.M.Logi's team of experts, kids will enter the fascinating world of medieval times, reviving old-style machinery using cutting-edge technology. Building machinery from scratch will introduce students to the fundamentals of robotics. As kids use infra-red remote controls, transmission gears and other electronic tools, they will develop thinking strategies, motor skills and dedication. Students will also have the chance to experiment in gaming strategies, through which they will develop their critical thinking. Join us in an amusing and engaging journey into the past and the future!

# SMART WOOD ROBOTICS

**Kadima is pleased to announce its partnership with HM Logi in offering this enrichment class to students in Grades 3-5.**

This enrichment program's goals are to awaken the students' intellectual curiosity, introduce them to the fascinating world of robotics, and equip them with the tools to analyze and solve dilemmas. They will develop personal creativity and a unique thinking process in the areas of science and technology using made in Israel robotics kits. This robotics kit enables each student to experience each robot's building and programming.

This session will touch upon 5 different key components of robotics: general robotics, smart phone controllers and settings, introduction to programming, electronic devices and mechanical technology.

## THURSDAYS 3:45-4:45

### GRADES 3 - 5

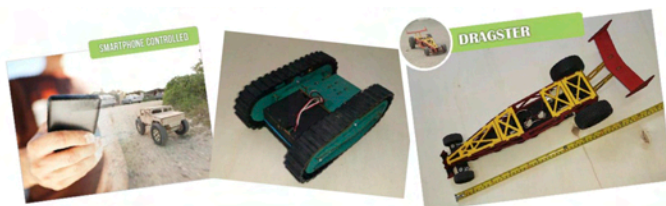

### 8 WEEK SESSION

### JANUARY 29 - MARCH 26

### No class on March 19 due to Parent Conferences

### Cost is \$175 for the session.

The class includes the use of control kits during class time. If students wish to make their robotics functional at home, they may purchase a control kit for their personal use, payable directly to the instructor at a cost of \$50 each.

- All fees must be paid in full at time of enrollment. Please make checks payable to **Kadima**. Students may not attend without payment and enrollment form on file.
- Class is filled on a first-come, first-serve basis. Registrations will be processed in the order received.
