# SUPER SOCCER STARS

Kadima is pleased to announce its partnership with Super Soccer Stars, an organization that delivers soccer programs specifically developed for children.

At Super Soccer Stars, the soccer ball is used as the vehicle to help children not only improve their soccer skills, but also develop self-confidence, improve gross motor skills, hone socialization skills and more. Dynamic, local and international coaches work with small groups of boys and girls to develop skills, self-confidence, and teamwork in a fun, non-competitive, educational environment.
