

Social Work Colleagues –

The Public Health Social Work Section of the *American Public Health Association* (APHA) invites you to submit abstracts for the 2015 Annual Conference in **Chicago, Illinois** to be held October 31 - November 4, 2015.

<https://www.apha.org/events-and-meetings/annual>

The Annual Conference theme: **Health in All Policies**

The Deadline for Abstract Submissions is February 13, 2015.

Public Health Social Work Special Focus Areas include (but are not limited to):

- Role of Social Workers in the ACA
- Role of Social Work in the National Prevention Strategy
- Moving from disparity to equity
- Advocacy in policy practice
- Equity in policy
- Policy for the changing face of the United States
- Widening the lens of social work practice in health
- Models of Public Health Social Work
- International Social Work
- Social policy and social work outcomes

We will also be sponsoring a special Public Health Social Work Student-Only Session and especially encourage MSW/MPH dual degree students to submit abstracts!

To submit an abstract, please click on one of the links below where you will find all necessary submission guidelines:
