

2015 OKGOP Resolution Condemning The Collection of Data On Private Citizens By Public Organizations/Agencies

Whereas: Information (data) describing individual attributes of individual private citizens of any age are the personal private property of the individual (with parents holding this right for any individual under the age of 18),

Whereas: Personal, private property cannot be surrendered (or sold) without express permission from the property holder,

Resolved: The Oklahoma Republican Party recognizes the rights of the individual over the state to protect and secure their personal attributes from unauthorized collection in any public database.

Resolved: The Oklahoma Republican Party condemns all circumstances where any public (state) organization neglects to gain consent from individual private citizens of any age in instances where personal/private information is to be collected, utilized or stored.
