

Readers & Best

One-time guest readers are needed for Readers & Best, a collaboration between the Athletic Department's Office of Community and University Engagement and Student Life's Edward Ginsberg Center for Community Service and Learning. Readers and Best will allow University of Michigan students from across campus come together to share the joy of reading with children in Ann Arbor elementary schools.

Guest readers will **visit an elementary classroom to read a pre-selected book that celebrates individuality and facilitate a post-reading activity**. Guest readers will travel together in a University van, receive a lesson plan and be given all materials needed for the session at the school.
