

FRANCISCAN ACTION NETWORK PRESENTS

The Francis Effect: Faith-rooted Justice in the Pope Francis Generation

We invite you to the Mercy Center in Madison, CT for a day of reflection and relationship building.

Meet other young adults from the region and participate in workshops based on Franciscan spirituality and Pope Francis' teachings on social justice. There will also be time built in for quiet reflection on the beautiful grounds that overlook the waters of Long Island Sound.

The day will begin at 9:30am with welcome and will include Mass at 3pm.

Lunch is included.

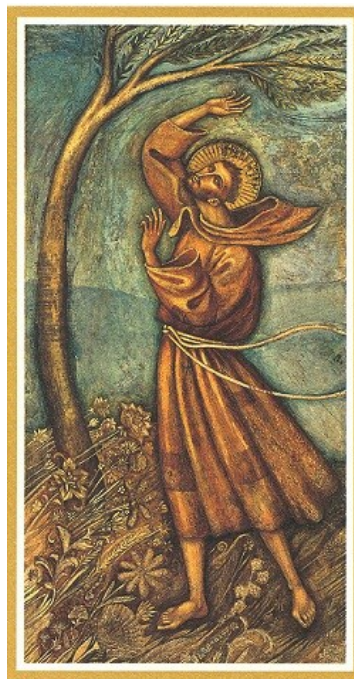

Image by Piero Casentini

“Confronting seriously the problem of global warming requires ... intensifying our commitment to a profound cultural renewal and a rediscovery of the fundamental values upon which a better future for the entire human family can be built.”

From the Vatican Statement at the UN Climate Summit
