The Hartford Catholic Worker (HCW) has been a welcoming presence in North Hartford for the past 22 years. Those who live in the neighborhood, as well as all who wish to associate themselves with the HCW, share life and build community together following the inspiration of Jesus and Dorothy Day.

*In an effort to further the mission of the HCW we invite you to meet the HCW community, view THE HOUSE I LIVE IN** and engage in discussion afterwards. Drugs affect not only the poor but all levels of society. Come, be educated, and meet with folks who care about their neighbors.*

****The House I Live In**, directed by Eugene Jarecki, is a 2012 documentary film about the War on Drugs in the U.S.

"The war on drugs has never been about drugs."
