

BRING HOME DIGNITY *FOR* MIGRANTS

FOR THOSE IN NEED, LET OPPORTUNITY TAKE ROOT.

In a world of abundance, it's shocking: more than 20% of the world lives entrenched in poverty, vulnerable to violence. While the causes are intricate, the results are unjust. Hard-working men and women cannot find work. Cannot feed their families. Cannot educate their children, access basic health care or safe housing. Often, they must leave their homelands in a desperate, potentially fatal search for a means to provide for their families. We are Catholics Confront Global Poverty, an advocacy initiative of the United States Conference of Catholic Bishops (USCCB) and Catholic Relief Services (CRS). And we are comprised of tens-of-thousands of people of good will and faith just like you who believe deeply that the root causes of poverty must be addressed. What can you do to help?
