Recycle trees, packaging & more

Recycle holiday packaging materials – including wrapping paper, tissue and cardboard-- by placing the items in your blue recycling cart. Cut small Christmas trees and put in your green waste cart (be sure lid closes completely). Drop off larger trees at the annual tree drop-off event at Rodeo Park on Jan. 3 & 4.

The City collects garbage, green waste and recycling on all holidays, so please place your carts curbside on your normal collection day.
