Santa's Sleigh coming your way!

Police and Fire staff and volunteers will guide Santa as he travels through Folsom neighborhoods and stops to greet children at designated locations on Dec. 13, 14, 15, 16 & 17.

"For safety reasons, Santa and Mrs. Claus will *only* stop at designated schools, mini-parks and intersections," says Folsom Police Officers Association (FPOA) President John Lewis. "They will hand out candy canes, pose for photos and accept donations of new toys and non-perishable food for local families in need.

"Folsom is growing and it is no longer possible to drive through and stop at every neighborhood. We encourage families to gather at the designated stopping points to greet Santa and Mrs. Claus."

The FPOA sponsors the Santa's Sleigh program as a volunteer goodwill effort. Young children and their parents know Santa is approaching when they hear the police and fire sirens.

Stopping points are listed below. Route information will soon be posted at www.folsompoa.com as well as on the FPOA Facebook page, <https://www.facebook.com/folsompoa>. Be sure to like the FPOA Facebook page to receive updates and track Santa's Sleigh each night.
