

Getting Ahead Facilitator Training

We must cancel the plan for the January 31 / February 7 “Getting Ahead in a Just Gettin’ by World” facilitator training webinar. Our principal presenter has been scheduled for surgery at that time. Please pray for a speedy recovery for her. If you were planning to attend that webinar, please use the link below to sign up for one of the other dates listed.

Upcoming webinar dates are:

- **March 5 & 12, 5:00-8:30pm, Central time**
- **April 23 & 30, 2:00-5:30pm, Central time**

The “Getting Ahead in a Just Gettin’ by World” program is a critical foundation for the Society’s mentoring program for individuals on the challenging journey out of poverty. Register using the link below if you wish to be trained as a facilitator for the Getting Ahead program.

Prerequisites for this training include having viewed the Systemic Change Overview presentation and the 7-DVD set of Bridges Out of Poverty...and having read the books, “Bridges Out of Poverty” “Bridges to Sustainable Communities” and having copies of the *Getting Ahead Facilitator Notes* and *Getting Ahead Investigator* workbooks used in the webinar (and in the program itself). These prerequisites have been fulfilled by anyone who attended one of the train-the-trainer Hope in Action workshops held in St. Louis, Philadelphia, or Los Angeles...attended an similar training held locally by one of the Councils who sent teams to these workshops...or completed self-study of the required material.

These two-part webinars are free of charge.

To order the four prerequisite Bridges Out of Poverty books from aha Process, Inc.! Go to their online store at <http://www.ahaprocess.com/store/>
